FU FU CHAPTER 6

A detailed illustration in a classic anime style serves as the background. It depicts a large, dark-scaled dragon with long, flowing white hair and a crown-like headpiece. The dragon is shown in a dynamic, aggressive pose, with its mouth open as if roaring or breathing fire. In the lower-left foreground, a knight in full plate armor is visible, holding a sword and looking up towards the dragon. The scene is set against a backdrop of a castle with multiple towers and flags, all rendered in a soft, painterly style.
